

Straw Craft Activity and Craftsman Workshop Tour

Straw craft, called mugiwara zaiku in Japanese, is a unique, traditional handicraft with vibrant colors and intricate patterns that, in all of Japan, is only produced in Kinokasa Onsen. Observe the fascinating and complex straw craft process, learn about its history, and get a private tour of the craftsman's workshop. Make your own original straw craft design on a small box to keep as a lovely souvenir.

SCHEDULE
