

For guests visiting by car

# Pedestrian-only road notice

November 13 2025 – November 16 2025

Kinosaki Onsen will be conducting a trial period for pedestrian-only roads. All parking lots within the town cannot be used. Please park at Kinosaki Port Center (343-6 Kinosakicho Sasaura Toyooka, Hyogo 669-6103).

Thank you for your cooperation.

## Kinosaki Onsen in the future

- By 2033 with the completion of the Momoshima Bypass, Kinosaki Onsen aims to become an even more walkable town with optimized pedestrian safety.

- Data suggests that reducing the amount of motor traffic in Kinosaki Onsen will significantly improve overall town atmosphere.

- We hope visitors will enjoy strolling Kinosaki Onsen as we implement these changes, imagining the future of the town.

## Open seating and tables (concept)

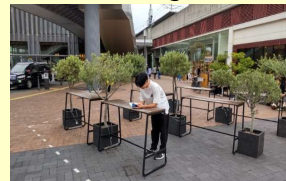

### Shuttle bus waiting benches

### Scenic lounging areas

### Riverside high tables

## "A Town as One Big Ryokan" Concept

Kinosaki Onsen can be thought of as one big ryokan. The station is the entrance, the streets are the hallways, the various ryokan are the guest rooms, the souvenir shops are the ryokan's boutiques, restaurants are the banquet halls, and the onsen are the bathrooms.  
It's our way of saying: every guest is not just welcomed by one inn or shop, but cared for by the entire town itself.
